Digital Story Telling Aotearoa

Digital Story Telling Aotearoa (DSTA) have developed a resource to bring Mātauranga https://maatauranga.co.nz/ to life across the curriculum, using Digital Technologies.

We have explored the following tools which are available on a range of devices.

Canva

www.canva.com
Make a professional poster, card and so much more. Easily insert statistical data.

Book Creator

bookcreator.com
Create a library of student written books that all students can view & read

StoryboardThat

www.storyboardthat.com
Summarise, retell, share your great ideas in an interesting way
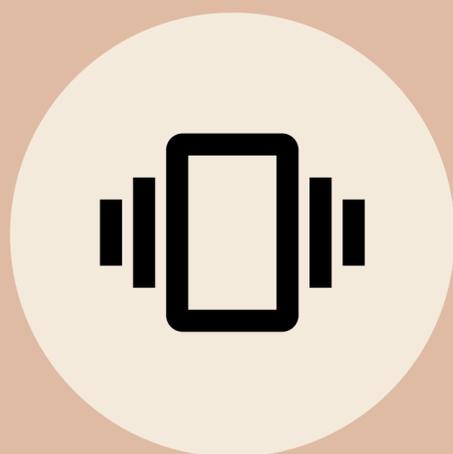

Genial.ly

www.genial.ly
Create interactive presentations, books, quizzes & games. Easily add collaborators

Stop Motion

www.cateater.com
Take multiple photos of inanimate objects to create a sequence. Film the action & then narrate

Aotearoa
DIGITAL STORY TELLING

www.dsta.co.nz

Technology Learning Area

Canva

https://www.canva.com/
Make a professional poster, card and so much more. Easily insert statistical data.

Te Kapehu Whetū
The Māori star compass
Create a talking presentation sharing how Māori used Te Kapehu Whetū to navigate

The toki and the whao were two important tools Māori used. Create a pukapuka of tools used by Māori for a variety of purpose ie; in the garden, for hunting and gathering, for building and designing.

Book Creator

https://bookcreator.com/
Create a library of student written books that all students can view & read

StoryboardThat

https://www.storyboardthat.com/
Summarise, retell, share your great ideas in an interesting way

Develop a storyboard to show how technology has changed over time

Creative an interactive presentation to show how digital technologies has changed navigation over time

Genial.ly

https://genial.ly/
Create interactive presentations, books, quizzes & games. Easily add collaborators

Stop Motion

Google Chrome Stop Motion Animator
Take multiple photos of inanimate objects to create a sequence. Film the action & then narrate

Make a compass
https://maatauranga.co.nz/index 3t.html

Drama

Canva

https://www.canva.com/
Make a professional poster, card and so much more. Easily insert statistical data.

Create a talking presentation

Develop a book using video and voice to develop the idea of the migration to Aotearoa

Book Creator

https://bookcreator.com/
Create a library of student written books that all students can view & read
